(37 CFR 1.97(c))**

Commissioner for Patents  
P.O. Box 1450

Dear Sir:

Pursuant to Section 707.05(b) of the MPEP and 37 CFR 1.97-1.99, a copy is herewith submitted (attached to form PTO-1449, Rev. 7-80) of prior art which is considered to be pertinent to the invention as claimed in the above-identified application.

It is requested that the Examiner fully consider the art cited, initial the leftmost column of the attached PTO Form 1449 adjacent each cited reference, and return a copy of the Form 1449 for applicants' records. It is further requested that the art be cited on the cover of any patent issuing from the subject application.

The citation of the above references should not be construed as a representation that an exhaustive search has been made, or that other, more pertinent art is not available. Nor does this statement constitute an admission by applicant or applicants' attorney that the information provided herein is necessarily prior art to applicants' invention. Moreover, applicants reserve the right to establish the patentability of the claimed invention over any of the listed documents should they be applied there-against as references.

The information disclosure statement submitted herewith is being filed after the mailing date of a first official action on the merits, but before the mailing date of the first to occur of either: (1) a final action under 37 CFR 1.113; or (2) an action that otherwise closes prosecution in the application, and attached hereto is a transmittal letter authorizing payment of the fee set forth under 37 CFR 1.17(p) for submission of this information disclosure statement under 37 CFR 1.97(c).
